

Bringing it all together

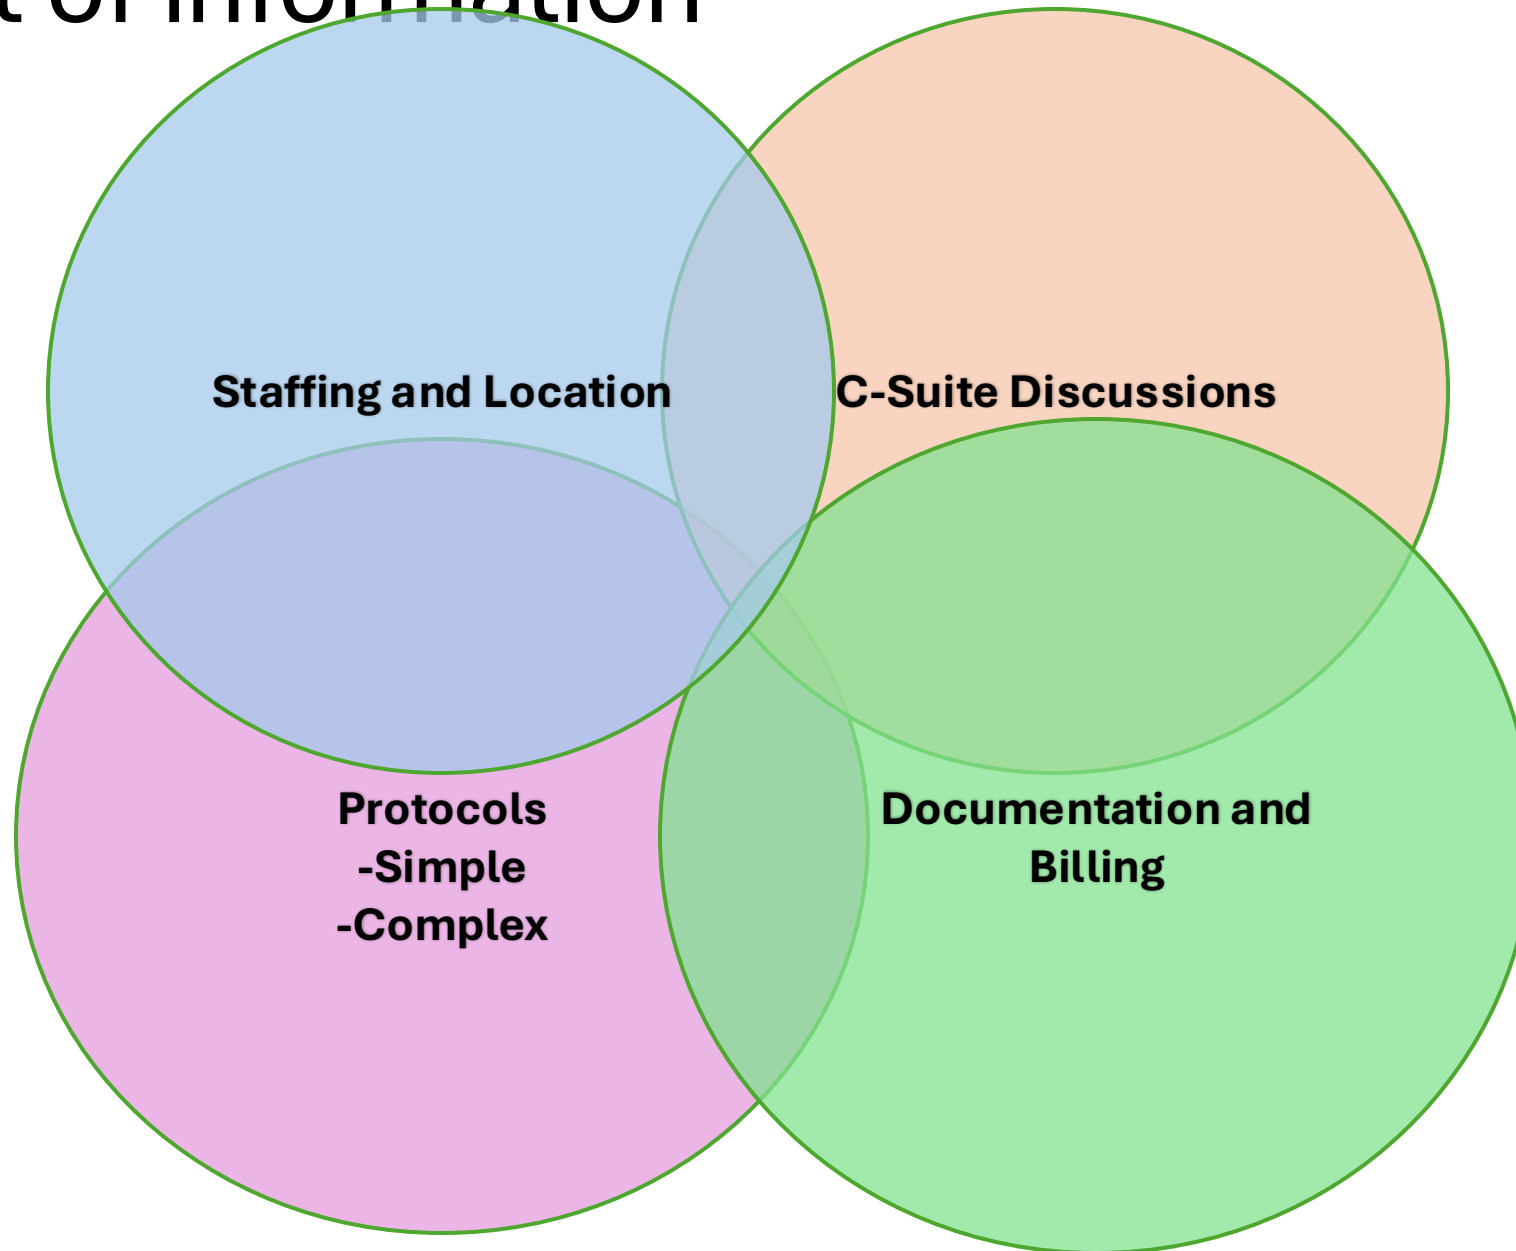

George Hughes, MD

With the help of many subject specialists

Disclosures

Received funding from Abbott Industries in non-related device verification research

A lot of information

Goal of Workshop Session

Work on your unit!!!

Head back home with a plan for next steps

Target 1 or 2 areas of improvement

Should we divide by area looking to improve? Versus random?

Logistics

15-20 minutes for individual work

20 minutes for group discussion at table of similar category

Present your challenge; brainstorm responses
Trouble shooting

20 minute of large group discussions

Each category to present one logistical hurdle

Closure

Small Group

- After individual work move to area within subsection
 - 10 minutes to discuss
 - If time rotate to another table
